

# ProVest Acquisition of J.J.L. Process Corp

*Strategic purchase provides clients enhanced stability, soundness and security*

TAMPA, Fla.—ProVest LLC (“ProVest”), the nation’s largest process serving company, announced today the purchase of J.J.L. Process Corp (“J.J.L.”). Building upon 25+ years of success supporting the mortgage default servicing industry, ProVest has been expanding rapidly in the credit collections industry. By acquiring one of the largest companies in this market, ProVest has both strengthened its presence and proven its commitment to growth in this area.

Scott Levine, J.J.L.’s Owner and President, will become the President of ProVest Litigation Services dba J.J.L. Process and have responsibility for the combined company’s credit collections operation. ProVest will keep the current locations of J.J.L.’s offices as well as the management team and operational structure.

“I am really excited about this union and feel that ProVest has certain managerial abilities and additional resources that can only be of benefit to our clients along with their vast expertise in service of process” says J.J.L. Owner and President Scott Levine.

“We are very excited to have this successful team join our organization. The acquisition will enhance our geographic presence and allow us to benefit from J.J.L.’s extensive experience in the credit collection industry. Together we will bring industry leading customer service, compliance, processes, and systems to the market that will allow us to reach an expanding client base” says ProVest CEO Jim Ward.

ProVest’s financial and organizational strengths will pair well with the already successful J.J.L. business, bringing the company to the next level. The combined nationwide operation will have 26 offices across the United States. Please contact Joel Rosenthal at 561-312-7602 or [joel.rosenthal@jjlprocess.com](mailto:joel.rosenthal@jjlprocess.com) for more information. As a Vice President of Business Development, Joel will lead the collection industry sales and business development team.
